(Rafferty/Egan)

Got to get back to the telephone,  
Make some money from a complete unknown.  
I know everything that I've got to say,  
I know 'cause I'm a good businessman.

I can make you rich, I can make you a name,  
Promise you the world if you'll play my game.  
If you don't want to play it, don't bother me.  
That's why I'm a good businessman.

A good businessman, a good businessman,  
A good businessman, a good businessman.

If I find that you ain't got no trust in me,  
Then it's time to use my psychology.  
I can change your mind, I can turn you around,  
I know 'cause I'm a good businessman.

Let me tell you now, I don't need your respect,  
Seems to me there's one thing that you forget:  
I ain't in this business to be friends with you,  
That's why I'm a good businessman.

A good businessman, a good businessman,  
A good businessman, a good businessman.

(instrumental break)
