Revive
Steadman
Revive
All I have to do
Is make life better
I shout
But no one is around
Slowly make a move
Away from knowing
Silence as the sweetest sound
What's better for me
Might not be better for you
What can you do?
What can you do?
Why wont you go, my friend
Revive
Bring it all, my friend
Revive
What are we to do?
It takes forever
And yet it takes no time at all
Let me introduce
A view of heaven
Before we walk into a fog
What's better for me
Might not be better for you
What can you do?
What can you do?
Why wont you go, my friend
Revive
Bring it all, my friend
Revive
Let it go, my friend
Revive
Let it go, my friend
Revive
Bring it all, my friend
Revive
Let it go, my friend
Revive
Let it go, my friend
Let it go, my friend

Let it go, my friend
Revive
(repeat 3x)
