(Rafferty)

You get so tired of chasing dreams, you think that  
nothing's true.  
You start to question everything, everything you do.  
Feeling scared but you don't know why, so you tell  
yourself you're doing all right.  
You're sick of all the empty days that make you so  
afraid of the night.

And if you try to read a book and get between the lines,  
It doesn't matter where you look, you're only wasting  
time.  
When you meet somebody else and you try to think of  
something to say,  
Even while you stand there talking, you know your mind  
is drifting away.

You get so tired of chasing dreams, you think that  
nothing's true.  
You start to question everything, everything you do.  
Feeling scared but you don't know why, so you tell  
yourself you're doing all right.  
You're sick of all the empty days that make you so  
afraid of the night.
