A close up of your soul
Is printed in your eyes
I know I've lost control
I'm getting close to paradise

Who knows to what I'm holding on
So many ways it can go wrong
And all my heart needs to know
Is it time to let go?

My heart is where you are
I'll always trust in what you do
Your love will take me far
I'll only see the best in you

But what if you feel like movin' on
Leaving before the night is gone
All my heart needs to know
Is it time to let go?
Oh, that's all my heart needs to know

Don't let me fly on the wings of a lie
Don't you take me down easy
Don't let me guess if your eyes speak goodbyes
Heaven seems to be a place not meant for me

It's quiet 'round my heart
There's no need for empty words
Just let me go my way
And leave before the silence hurts

There's always one more chance to take
There's always one more heart to break
All my heart needs to know
Is it time to let go? Is it time?
All my heart needs to know

Don't let me fly on the wings of a lie
Don't you take me down easy
Don't lead me on if tonight means goodbye
Don't let me be the last to know

Woo

Someone's grip is always stronger
Someone cares just a little bit more
I'm holdin' on a little longer
Just a little, just a little bit more

Don't let me fly on the wings of a lie
Don't you take me down easy
Don't lead me on if tonight means goodbye
Don't let me guess if your eyes mean good thoughts

Oh, baby, don't let me fly
Don't let me fly
Don't let me down easy
