Sit down and listen  
I'm going to tell you about a place  
Which existence was so long ago  
And far away

A small and funny village  
So full of laugh and joy  
Until a cloudy day  
When everything has burst away

Take my hand and we'll go back in time  
Just before the evil rituals  
Hold on tight and read my mind  
So you wont forget what I'll say

I can tell you  
About the evil forces  
That came down from the hills  
To kill and slaughter man

But instead I beg you  
To keep your heart clean  
And make sure that the opposite  
Remind you of what I'll say

Take my hand and we'll go back in time  
Just before the evil rituals  
Hold on tight and read my mind  
So you wont forget what I'll say

NOW! HELP ME FIND A WAY  
TO MAKE YOU UNDERSTAND  
THE WAY THAT MANKIND'S SELFISHNESS  
WILL MAKE PEOPLE ALL BANNED  
QUICK! GIVE ME ANSWERS  
TO ALL MY UNSOLVED THOUGHTS  
OR IS IT REALLY SO IT IS  
THAT WE WILL NEVER LEARN...AT ALL?
