Undecided... don't know where to go  
Don't know what I'm gonna do  
Uninvited... I'm knockin at your door  
And I'd like to call on you

Chorus

You don't want me anymore  
Just let me explain cause I don't wanna lose you  
You don't want me anymore  
Tried so hard... So hard to please ya

I remember, babe  
On the day you left you said you'd never understand  
But I keep thinkin if you try real hard  
You could give me just one more chance

Chorus

I know you're thinkin  
I'm just no good  
I know you're thinkin  
But why give up this love

Chorus
