"Damn Me"

I wanna watch you die as you speak those words to me
I wanna watch you die as you sell those words to please

We were never your sheep to keep and guide or victims
by your side

I, I never asked for the world that you brought me,
never wanted it

I, I never asked for that lie so damn me as I say
goodbye

your tower falls as you bring it's bricks to me
you want my visions but the sights are to dark to see
We were never your sheep to keep and guide or victims
by your side

I, I never asked for the world that you brought me,
never wanted it

I, I never asked for that lie, so damn me as I say
goodbye

I, I never asked for the world that you gave me
I, I never asked for the world that you brought me
