The barrel looked her
Deep in the eye
As she said "I want you"
She looked the gun
Deep in the eye
The gun said " I Want you too"

Doom, strikes the tame today
Day with a bowie in your bed)
Bodies in a huge ashtray
Your life spells D.E.A.D

Well the D is for Destroy
Under he gun
The E is for Enforce
Under the gun
The A is for Absolute
Under the gun
And D is for Darkness
D.E.A.D - The mark of the gun
The razor smiled
At the pale wrists
The writs said
"Let me smile for you"
They razor kissed
To open the skin
And then said;
"Now you're smiling too"

I control you with my hand
The reasons you retrieved
Damn the deeds you did, my friend
The panic of this eve

Well the D is for Destroy
Under he gun
The E is for Enforce
Under the gun
The A is for Absolute
Under the gun
And D is for Darkness

D.E.A.D - The mark of the gun

But did you ever see that
The crimes of did were alright
But will you ever taste that
The certain wet taste of fright
