You fall - so I walk away gone with your children's
dreams of pain
And the deeper I reach, I fear not the righteous speech

Did you ever speak that name, a savaged word in vain
Cause I know that you hunger for cold black

As I rape your soul of virtue
I am god of lust and pain
Cold black, As I slay your soul of virtue
You are a slave of flesh and sin

You fell - so I walked away and with dying children I
play....
And deeper we go, you're an actor of a sinful show

Did you ever speak that name, a savaged word in vain
Cause I know that you hunger for cold black
As I rape your soul of virtue
I am god of lust and pain
Cold black, As I slay your soul of virtue
You are a slave of flesh and sin

We fell - so I raped your heart, tore it out and ripped it
apart....

Did you ever speak that name, a savaged word in vain
Cause I know that you hunger for cold black
