Magic speaks tongues of fire, fortune takes my hand

Iron pounding songs of glory, soaring on command

Screaming I rejoin the fray

Chorus:

Take me where the thunder walks, a symphony of
steele

Take me where the falcon flies, a symphony of steele

Sound the trumpet, crack the mountain, let the arrow
fly

Through the land of Lamentation, let the tidings fly

Mercury, the god am I

Chorus

Spark the ashes, free the temple, stem the crimson
tide

Toll the bell of freedom shouting

Praise for those who died

Wield the sword of destiny

Chorus

If passion denies you, don't die on your knees

Fight with a vengeance what weakness decrees

The wrath of the tempest, the cries of the slain

Tragic in splendor, in death you are free

I follow the sign, bring on the sound of thunder,

Bring on the rain

Spirit of dark enchantment remember my name!!

Chorus

A symphony of steele
