There like an angel
A vision of light
The last rose of Summer
The last Rose of Summer
Bloomed in my sight
Alone with the wind
And the sun in her hair
I've never seen anything so fair
And you're all I need
All I need...
Our love will never die
I walk with you,
Last Rose of Summer's day
Make love to me
Wake with the sunrise
When dreams walk the sky
She whispers, "I love you"
Then sings, laughs and cries
A song of emotion
Borne of angel wings
Free as the seasons

Where love eternal springs

And you're all I need

All I need...

Our love will never die

I walk with you,

Last Rose of Summer's day

Make love to me

...Sweet love

Don't cry no more

I'm with you babe
