ENDYAMON):

On the Bridge of Hades, searching for a Sign

On the brink of Knowledge, there's no time

Shadow of the Horseman who is sworn to rise

Seven are now waiting in the Skies

Warring Angels forage, Scavengers of Pain

I am born to Power, Courage is my Name

(HUMANITY):

Rise on the Wings of Truth, to the Sun

We know that Forever lives inside . . .

MIND, BODY, SPIRIT . . . All are One

(ENDYAMON):

Rising like a Tower, Fortune's Torch revives

Slicing every Rule that will divide

Who will hold the Red Queen when misfortune cries

Seven Bands are waiting in the Sky

Murder and Fire and Pain is the Sign

Swollen with Power your Blood is my Wine

And I know !

(HUMANITY):

Rise on the Wings of Doom, to the Sun

We know that Forever lives inside . . .

MIND, BODY, SPIRIT . . . All are One

MIND, BODY, SPIRIT . . . All are One ! ! !

(ENDYAMON):

Prizing only Valor Numen steal the Light

On the brink of Knowledge Burning Bright

Shadow of the Horseman who is sworn to rise

Sin and Death are waiting in the Skies

Murder and Fire and Pain is the Sign

Swollen with Power your Blood is my Wine

And I know !

(HUMANITY):

Rise on the Wings of Death, to the Sun

We know that Forever lives inside . . .

(ENDYAMON):

I see my Vision, I see the Line

Circling onward, looking for Nine

I know the answer is not to be found

Searching in Darkness with eyes of the blind

And in the Morning, Two will remain

To carry us onward, to Guard the Flame

That we know . . . There'll be time . . . for All . . . , for All

We don't need you, we're fine on our own

We don't want you, leave us alone . . .

Fortune is Fire as Numen we Shine

Invoking the Power, your Blood is my Wine and I know .

..

The Mind is a Tower, the Body sublime

The Soul is the Power, your Blood is my Wine and I
know . . .

Leave us alone !
