I'm not sleepin' the walls are down  
and your hands are icy cold  
under water thru the sound of fear  
comes a drowned and cold reply  
and the mist still hangs around the gallows  
like the anger after the violent rain

Chorus:

Die if you will die if you want to  
there's no mistake the ending is clean  
the fire is cold in the ashes of memory  
there's no escape from this hotel  
Like a child who lies to win  
then eats of his own flesh  
holy water can't save you now  
you've hungered far too long  
and the words once spoken  
now ring hollow as the mind that  
shatters your flesh with nails

Chorus

I'm not sleepin' I'm alive for you  
you, you'll try again save yourself

the dawn takes the night, the night takes the sun

the son takes your sins your sins can be cleansed

Chorus

No escape the ending is clean

it doesn't have to be this way
