Cursed by the Priests, torn, twisted and beat

Sentenced to die, by the Sorceress-her Evil Eye

God of the Furnace, I call thy Name

Please deliver me from the Serpent, the Serpent of Pain

THE FIRE GOD, THE FIRE GOD

Burn all the Sinners in my way

Rise up devour-Inferno of Ultimate Power

God of Destruction-consume them with your Eruption

Inflame the Sourceress and the Priests of Evil who bind  
me

Singe them, Burn them, Destroy them

Please, please deliver me

With Holy Fire, the Golden Pyre... Death

THE FIRE GOD, THE FIRE GOD

Burn all the Sinners in my way

Kill, eradicate with Fire and Sword!

Flames of Vindication!

I impale thee on the Great Spike of Hatred

By the FLAMES OF THE BLACK STAR!!!

THE FIRE GOD; THE FIRE GOD

I call thy Name, consume my pain!
