[Music - Pell, Eder, Krawczak, Yildiral / Lyrics - Burtz]

[Fills: Tom]

I sleep all day, waiting for the night...  
When I'm heading just for the action  
My mates with me and the gear's all right  
Hope to get... some satisfaction... here

From our cars music fast and loud  
Reality is far away  
We are here... and we are proud  
No tomorrow, live for today

And I know, what I want is...

[Chorus:]

Oh oh, run with the pack... so far away from here  
Oh oh, never look back, nothing we have to fear

[Fills: Tom]

Now it's time for the old 'in-out'  
Find a bird... and start to shove  
Make her scream... and make her shout  
This is what... you want from love

And I know, what I want is...

[Chorus]

[Fills: Tom]

[Solo: Axel / Tom]

Oh oh, run with the pack... so far away from here  
Oh oh, never, never, never look back, nothing we have  
to fear, have to fear, have to fear

Oh oh, run with the pack... so far away from here  
Oh oh, never, never look back, nothing we have to fear,  
yeah
