{Verse 1}

Well I don't know why I came here tonight  
I got the feeling that something ain't right  
I'm so scared in case I fall off my chair  
And I'm wondering how I'll get down the stairs  
Clowns to the left of me  
Jokers to the right, here I am

Stuck in the middle with you

{Verse 2}

Yes I'm stuck in the middle with you  
And I'm wondering what it is I should do  
It's so hard to keep this smile from my face  
Losing control, yeah, I'm all over the place  
Clowns to the left of me, Jokers to the right  
Here I am, Stuck in the middle with you.

{Bridge}

Well you started out with nothing and you're proud that  
you're a  
Self made man  
And your friends, they all come crawlin, slap you on the  
back and say  
Please.... Please.....

{Verse 3}

Trying to make some sense of it all  
But I can see that it makes no sense at all  
Is it cool to go to sleep on the floor  
Cause I don't think that I can take anymore  
Clowns...

{Instrumental Verse}
