Waking up, I feel like hell
It's just 2 pm
The world's turning like a carousel
I don't know where I am

That's nothing special
'Cause I'm a drinking man
I don't repent a thing
And I'd do it again And got a fucking...

METAL HANGOVER, METAL HANGOVER
Back from the dead - pain in my head
METAL HANGOVER, METAL HANGOVER

I'm jumping up, my bowel hurts
It's completely clear
Drink too much and you'll get the squirts
But first I need a beer

That's nothing special
'Cause I'm a thirsty man
That's nothing special
'Cause I'm a Metal fan

METAL HANGOVER, METAL HANGOVER
Back from the dead - pain in my head
METAL HANGOVER, METAL HANGOVER
