Dear god  
did you throw away the toys  
you played with as a boy  
because you got to old

Dear god  
you're not easy to believe in  
not easy to deny  
I'm caught up in between.

Oh lord,  
why keep the truth in chains?  
it's gettin' to my brain  
though you're the one insaine.

Dear god  
forgive the little man  
who doesn't understand  
such a great masterplan

[Chorus]  
I thought I heard you say  
situation is under control  
just sit back, relax  
and let me take you home  
The situation is under control  
I've been trained for years  
for situations like this

Dear god  
where the hell where you today  
I shouted out your name  
a friend just passed away

Dear god  
it might mean nothing to you  
but everything to me  
this is my life you see

Oh lord  
are you punishing today  
things I might have said

or done yesterday

Dear god  
forgive the little man  
who doesn't understand  
such a great masterplan

[Chorus]  
I thought I heard you say  
situation is under control  
just sit back, relax  
and let me take you home  
The situation is under control  
I've been trained for years  
for situations like this

Shalalalala..

[Chorus]
