I feel my fear as it comes crawling

Safe inside you

Don't ever to you

Not even you

Can stop this rain

Not even you

Can take away this pain

Not even you

Can set me free

But I'll break through

If you can wait for me

I don't know why

Or what I'm after

I don't know all the things that matter

I only hope that

I don't shatter what's true

I wanna trust in the things you told me

If I should falter

Your heart would hold me

If I should fall

Your love would enfold me in you

Not even you
Can stop this rain
Not even you
Can bring the light of day
I don't know who I'm supposed to be
But I'll break through
If I know you're waiting for me
Not even you
Can stop this rain
Not even you
Can take away this pain
Not even you
Can set me free
But I'll break through
If you can wait for me
