last night i dreamed that you were here with me,  
and we were in each others arms, it was oh so  
heavenly,  
you held me close to you and whispered in my ear,  
"let's build a life together share love beyond compare",

as we danced to the melody, we had so much to share,  
(then the music stops)  
in a flash i was all alone,  
(it was just a dream)  
haunting me once again,

(Chorus)  
a dream of simple fantasy that i wish was reality,  
that you'd come knocking at my door and we'd re-live  
this dream once more,

the day you left you said you would return,  
just when you would'nt promise, you said you needed  
time alone,  
you said you love me and someday our love could be,  
i could'nt understand it, i thought that we were both  
happy,

as we danced to the melody, we had so much to share,  
(then the music stops)  
in a flash i was all alone,  
(it was just a dream)  
haunting me once again,

(Chorus)  
a dream of simple fantasy that i wish was reality,  
that you'd come knocking at my door and we'd re-live  
this dream once more,

a dream of simple fantasy that i wish was reality,  
that you'd come knocking at my door and we'd re-live  
this dream once more,

ohhhh, oh, oh, come back!  
please make my dreams come true for me,

i need so much for you to see,  
i need you to love me once again,

a dream of simple fantasy that i wish was reality,  
that you'd come knocking at my door and we'd re-live  
this dream once more,
