What can I do?

To make you feel secure

Remove all your doubts

So that you'll know for sure that

You're the apple of my eye girl

Fulfillment of my dreams

Time, will show the value

Of just what you mean to me

More precious than silver

More precious than diamond rings or

Anything that I can give you

It wouldn't mean a thing

If you didn't have my love beside you

There to guide you through

Well it is good to know you do

I know just how you feel

But this time love's for real

In time it will reveal

That special love that's deep inside of us

Will all reveal in time

I tell you I love you

But you won't believe it's true

More precious than silver

More precious than diamond rings or

Anything that I can give you

It wouldn't mean a thing

If you didn't have my love beside you

There to guide you through

Well it is good to know you do

I know just how you feel

But this time love's for real

In time it will reveal

That special love that's deep inside of us

Will all reveal in time

I know just how you feel

But this time love's for real

In time it will reveal

That special love that's deep inside of us

Will all reveal in time

I know just how you feel

But this time love's for real
In time it will reveal
That special love that's deep inside of us
Will all reveal in time
Oh, that special love in us
Will all reveal in time
So let you're little heart lay down my body
