Who is Johnny?

There she goes and knows I'm dying
When she says, "Who is Johnny?"
Games with names that girl is playing
All she says is "Who is Johnny?"

Tried to understand because I'm people too
And playing games is part of human nature
My heart's in overdrive, it's great to be alive

"Who's Johnny?" she said and smiled in her special way
"Johnny," she said, "You know I love you"
"Who's Johnny" she said and tried to look the other way
Her eyes gave her away, alright, alright

She makes sure I see her teasing
Hear her say, "Who is Johnny?"
There's no way today is easy
Hear her say, "Who is Johnny?"

I really couldn't help but fall in love with her
Her being there has made my life worth living
I knew it from the start, that I would lose my heart

"Who's Johnny?" she said and smiled in her special way
"Johnny," she said, "You know I love you"
"Who's Johnny" she said and tried to look the other way
Still pretending

"Who's Johnny? "Who's Johnny? Oh no
"Who's Johnny? "Who's Johnny? Oh no, no, no, I don't
believe it
"Who's Johnny?" she said and tried to look the other
way
Her eyes gave her away

Girls like her are very special girls
Girls like her don't rest
'Til you too are a believer
'Til you too have caught their fever

Who who who
Who is Johnny?
Who's Johnny?

Left me standing there
