You're gonna die  
I'm gonna kill you  
You're gonna die  
I'm gonna kill you

Feeling all blue  
I've got no more time  
They all hate me  
Because of my crime

Their threats come at me  
Their voices are loud  
All to condemn me  
My face is still proud

You were my good friend  
I saved you before  
I thought you turned good now  
But you asked for some more

You had to provoke me  
So I beat you  
Watched your skull bleed  
So now I feel blue

Out of ideas  
Nowhere to run  
Looking right down  
Barrel of a gun

And so I dream  
Voices in my head  
Delusions mock me  
My best friend is dead

I feel no guilt  
But I shed a tear  
I see your dead body  
With the blood all smeared

A bird sings a song  
It's all for you

Outside it's so warm  
And the skies are all blue

You're gonna die  
I'm gonna kill you  
You're gonna die  
I'm gonna kill you
