"My Pride"

I was bound and determined
To love only you
Until I found out
That I was just your fool
Well you have to admit it
You deserve this alot
Too much has happened
And we cant turn back the clock

Chorus

Dont you, dont you
Realize that I've got my pride
Dont stand there
Looking at me
With those big blue eyes
I said dont you, dont you
Dare to ask me why
Dont you, dont you
Realize that I've got my pride

No he's not you
And I never want him to be
You see he's kind and gentle
And likes being good to me
I'm never left alone
Crying late in the night
It makes him feel good
Knowing he treats me right

Chorus twice
