You walked into the room  
In your fancy western clothes  
Tall, lean and handsome thats for sure  
Then as you turned to me  
And as your eyes met mine  
I knew you could talk me into your arms

Chorus  
Oh smooth talker  
Wont you tell me  
What I need to hear  
And smooth talker  
Come sit down  
Over here  
Your a smooth talker  
Yes I know your a ladies man  
But I'll take you as you are  
If you'll just take me as I am

Lets sit and talk a while  
Yes I'll take that glass of wine  
You tell me your story,  
I'll tell you mine.  
Yes you can take me home  
And if you like  
Spend the night  
For I cant stand the thought  
Of being alone

Chorus again

Yes I'll take you as you are  
If you'll just take me as I am
