Chorus

Up in the Holler  
Where the birds  
And the whipporwill sing  
Oh I sometimes get so lonely  
To hear those childhood things

Oh my mamma  
She would tell stories  
In a voice so sweet and so kind  
Then she'd sing like an angel  
You could hear her voice ringing through the night

Chorus once

Oh I wish my mamma would rock me  
Like she did when I was a child  
Oh and sing me one of her sweet stories  
And whisper everything will be alright child

Chorus once

Up in the Holler
