I'm just a poor wayfaring stranger
I'm traveling through
This world of woe
But theres no sickness
No toil or danger
In that bright world
To which I go

I'm going there to see my father
I'm going there no more to roam
I'm just going over Jordan
I'm only going, over home

I know dark clouds will gather round me
I know my way is rough and steep
But beautiful feilds
Lie just before me
In God's redeemed
Their vigils keep

I'm going there to see my mother
She said she'd meet me when I come
I'm just going over Jordan
I;m just going over home

I will soon be free from every trial
My body will sleep
In the church yard
I'll drop the crown of self denial
And I'll enter in for my reward

I'm going there to see my savior
To sing his praise forever more
I'm just a going over Jordan
I'm just a going over home

I'm only going over, over over
