So did those people let you down?  
Whatcha think that they would say?  
Did you expect them to believe ya?  
Not to hurt ya or deceive ya?  
In the world, all we're taught  
Gotta get before you got  
There is writing in the sky  
Dark whispers in the night

Oh my god what have I done?  
Wasted my life and forgotten how to love  
So if I was angry  
I'm sorry if I am  
Pass the gates of heaven  
Only much depends  
It's not too late though  
Not too late if we turn back

When the artists start to paint  
Their pictures of the saints  
And the saints look like the man  
On the TV shaking hands  
And I wonder what we don't  
Hope I'm not the only one  
Make us mindless, make us dumb  
While the innocent are wrong

Oh my god what have I done?  
Wasted my life and forgotten how to love  
So if I was angry  
I'm sorry if I am  
Pass the gates of heaven  
Only much depends  
It's not too late though  
Not too late if we turn back

And you told me you had it  
Is it time for the worst to start?  
And you said it's the last time  
I won't forget  
And the whispers in closets  
Will escape to the streets we'll find

And the dark of the valley  
Will be a lie underneath our feet  
Or how we tried to change their minds,  
With our logic and our lies  
While the blood flowed to the sea  
And our hands and through our fate  
And if they trouble you for wisdom  
With the answers in their hands  
Don't believe their motives  
Drawing pictures in the sand (whoa)
