I wanna see the flame
Behind a silent rage
Behind those lonely eyes
I never wanna see you cry

So d-d-don't you run
No matter what you've done
Oh no matter how you plead [?]
Loving is a dangerous dream

[chorus]
'cause I'm gonna go in...
(sane)
I'm gonna go in...
(sane)
I'm gonna go in...
(sane)
I'm gonna go in..
(sane)
Hey, I'm gonna go insane

I don't know your name
But you're the reason why
I just have to try
Whao ho ho ho

And it feels like I should stay
But I am too afraid
Damn this foolish heart
Whao ho ho ho

Come on and celebrate
You can control your fate
"there's no leaving me"
I wanna hear the DJ sing

So n-n-never leave
Imagine trusting me
Oh I hope you understand
I never wanna see you sad

[chorus]

(lots of oh ho ho ho's)

Damn this foolish heart [x a bunch]
