In your life, did you ever really feel alive?
It's no surprise, it's not in your veins
'cause you won't never change, you will never
compromise
Friend of mine, yesterday has died…

And through it all, did you ever really take the fall? Probably not, you never gave it a thought You never got involved, trying to be neutral Well friend of mine, yesterday has died…

Stay entertained(x5)

And who am I? Who am I to judge your lonely life?
I don't mind, 'cause it ain't in your game
'cause you won't ever play, watching from the sidelines
Friend of mine, yesterday has died…

Stay entertained (x10)
