Pretty violent  
Runners up in a casualty  
Lost all common sense  
Both parties call victory  
One delusional than there's me

Chorus:  
You're making me violent  
But why your nihilistic tendencies are  
Making me violent  
That's why you're nihilistic

Pretty violent  
Making up with an I.O.U.  
Could have circumvent  
From a passerby point of view  
What's a carnivore supposed to do?

Chorus

Harmony  
Living in harmony  
I want you honestly  
Living in spite of me

Chorus
