Here you are again  
Back from where you've been  
Acting all innocent  
You hit me from behind  
Had no reaction time  
Slammed on those breaks of mine  
Shocking, freaky  
Now you need me  
So why do you tease me like you do  
Ooooo

It's just like whiplash  
Throw me back to you  
My sweetest weakness  
I was doing fine without  
'Til you asked  
I was right on track  
Now one step forward  
Two steps back  
Whiplash

I've seen it all before  
You standing at my door  
Well, that's not against the law  
But your kind of company  
Isn't so good for me  
Look what you've done to me  
Melt me, freeze me  
Baby, please be  
Different baby, please be true  
Oooo

It's just like whiplash  
Throw me back to you  
My sweetest weakness  
I was doing fine without  
'Til you asked  
I was right on track  
Now one step forward  
Two steps back  
Whiplash
