Jumping music, slick deejays, fog machines and laser rays

Lookout weekend 'cause, here I come
Because weekends were, made for fun

Lookout weekend 'cause, here I come
Because weekends were, made for fun

I work hard, everyday, it's all work and no play
With the boss on my back, he don't give me any slack
I sit down, I daydream of how my weekends gonna be

Lookout weekend 'cause, here I come
Because weekends were, made for fun

By the time Wednesday comes, I feel the beat and I
wanna have fun

Lookout weekend 'cause, here I come
Because weekends were, made for fun

All you ladies, clap your hands, stomp your feet and
grab your man

Lookout weekend 'cause, here I come
Because weekends were, made for fun

Okay men, it's your time, show the ladies what's on
your minds

Lookout weekend 'cause, here I come
Because weekends were, made for fun

Jumping music, slick deejays, fog machines and laser rays

Lookout weekend 'cause, here I come
Because weekends were, made for fun

I work hard everyday, it's all work and no play
With the boss on my back, he don't give me any slack

I sit down I day dream of how my weekends gonna be

Lookout weekend 'cause, here I come
Because weekends were, made for fun

Jumping music, slick deejays, fog machines and laser
rays

Lookout weekend 'cause, here I come
Because weekends were, made for fun

Lookout weekend 'cause, here I come
Because weekends were, made for fun

Lookout weekend 'cause, because weekends were
Lookout weekend 'cause, because weekends were
Lookout weekend 'cause, because weekends were

Lookout weekend 'cause, here I come
Because weekends were, made for fun

Lookout weekend 'cause, here I come
Because weekends were, made for fun
