Visit "[Fantastic](#)" on MotoLyrics.com

When I'm with you
When I touch you
It just feels fantastic
When I'm with you
When I touch you
You're always there

Before I met you
I thought I wouldn't meet anyone at all
But when I met you
Everything changed

Chorus

Now I'm just feeling fine
And you're always on my mind
And you always fill my world

Chorus

When day turns into night
I just feel alright
Because I'm not scared anymore
You're the one I want, I want
