Out of the blue into a soul, is it worth it? I guess I don't
know
Stupid climb, higher place, just to fall down on my face
I am here all alone in a place that no one goes
Close my eyes fall asleep, I'm defeated leave me
Free
Call the boy with no phone, lost the words but hello
Confusion, simple brain, stupid frown on a pretty face
What a fool eye to eye, no need so that I did try
Close my eyes, cry to sleep, I'm defeated leave me
Free
Everything I know is wrong,
But it feels so good I carry on
Everything was done what you'd touch it for
On the top and you suck in more
Everything I do oh you never knew
Believe that it takes more
Write a song blow away, stupid words on empty page
Soul to sun when it comes everyone needs to every
