Givin it up, givin it bow bow
Givin it up, everything but you

When I was walking down the street
I saw this boy I really liked
He was with his mates making jokes
And smiling at me

I donâ€™t know what happened that day
But I canâ€™t stop thinking about him

Iâ€™m givin up everything but you
Come and dance with me
I love you so much
Iâ€™m givin everything up but you

When I saw him at the disco
I just fell on the floor
He picked me up and looked into my eyes
Then we left together

I told him all about me
I loved that evening together

Chorus

Baby, I gotta tell you something
Which is Iâ€™m givin up everything but you

Chorus
