Got to save my life with a goodbye
Keep walking out that door
Got to find me a sweet something
That lifts me from the floor

I didn't think this path will liead me
One step from the waterfall
I don't know if you want to see me
If you want to see me fly or fall

Got to save what's left with a goodbye
Keep walking out that door
Got to find me a sweet something
That lifts me from the floor

I came here with the circus
To do the number you pay me for
Went up there on the old tight rope
And stumblendance for you once more

Got to save what's left with a goodbye
Keep walking out that door
Got to find me a sweet something
That lifts me from the floor
