

Stepa "Teenage Funeral"

Visit "[Teenage Funeral](#)" on MotoLyrics.com

I could watch your mother cry
For signs to set their lies aside
Filled with pills his mind of eyes
One side to side, he'll find it dry
No more

Teenage funerals

CHORUS:

Say well this time to their crimes
Pray their actions will dig root in your mind
Don't want my help?
See for yourself
It's too late

WALK THE PASS

So your able
To feel like your invincible
I forget, you can't change, your lying in a GRAVE
No more

Teenage funerals

CHORUS:

Say well this time to the crimes
Pray their actions will dig root in your mind
Don't want my help?
See for yourself
It's too late

Can you see we can stop the bleeding
Or are you too afraid to care
Break the cycle
Let it stop here
Break the cycle
Can it stop here
Break the cycle
Make it stop here

WHAT THE FUCK IS WRONG WITH YOU?!

CHORUS:

Say well this time to their crimes
Pray their actions will dig root in your mind
Don't want my help?
Destroy yourself
It's too late
Can you see we can stop the bleeding
What to say if they were here
Faith's always looking for you

WHAT THE FUCK IS WRONG WITH YOU?!
