Who's that girl
I believe I've seen that face before
Who's that girl
I hardly recognize her anymore
I don't believe I've seen her lookin' better
Now she's back and got her life together

She ain't draggin' 'round the same old heartache
She ain't lookin' through innocent eyes
And though it's clear in the mirror
It's hard to believe it's really me
Who's that girl
(Who's that girl)

Who's that guy
Never thought he'd show his face again
Same old lines
I think he thinks she's gonna let him in
I can't believe that girl finally did it
Slammed the door and told that fool
Forget it

She ain't draggin' 'round the same old heartache
She ain't lookin' through innocent eyes
And though it's clear in the mirror
It's hard to believe it's really me
Who's that girl
(Who's that girl)

I don't believe I've seen her looking better
That girl is back and got her act together

She ain't draggin' 'round the same old heartache
She ain't lookin' through innocent eyes
And though it's clear in the mirror
It's hard to believe it's really me
Who's that girl
(Who's that girl)

Who's that girl
I said who's that girl

She ain't draggin' 'round the same old heartache
She ain't lookin' through innocent eyes
And though it's clear in the mirror
It's hard to believe it's really me
Who's that girl
(Who's that girl)
