Givin it up, givin it bow bow  
Givin it up, everything but you

When I was walking down the street  
I saw this boy I really liked  
He was with his mates making jokes  
And smiling at me

I don't know what happened that day  
But I can't stop thinking about him

I'm givin up everything but you  
Come and dance with me  
I love you so much  
I'm givin everything up but you

When I saw him at the disco  
I just fell on the floor  
He picked me up and looked into my eyes  
Then we left together

I told him all about me  
I loved that evening together

Chorus

Baby, I gotta tell you something  
Which is I'm givin up everything but you

Chorus
