Got to save my life with a goodbye Keep walking out that door Got to find me a sweet something That lifts me from the floor

I didn't think this path will liead me One step from the waterfall I don't know if you want to see me If you want to see me fly or fall

Got to save what's left with a goodbye Keep walking out that door Got to find me a sweet something That lifts me from the floor

I came here with the circus To do the number you pay me for Went up there on the old tight rope And stumbledance for you once more

Got to save what's left with a goodbye Keep walking out that door Got to find me a sweet something That lifts me from the floor
