You and me
We wanted it all
We wanted it all
Passion without pain
Sunshine without rainy days
We wanted it all ways

You and me
We reached for the sky
The limit was high
Never giving in
Certain we would win that prize
I should have seen it in your eyes

Look how all our dreams came true
See how I've got me
And baby you've got you
And through it all
Just one thing died
A little thing called love
A feeling deep inside

You and me
We're not like the rest
We once were the best
Back when we were dumb
How did we become so smart
And learn to break each other's hearts?

Look how all our dreams came true
See how I've got me
And baby you've got you
And through it all
Just one thing died
A little thing called love
A feeling deep inside

You and me
We're not like the rest
We once were the best
But look what we became
Isn't it a cryin' shame

'Cos we almost made it
But we wanted it all

You and me
We wanted it all
We wanted it all
