I've been walking on the soft sand  
Since this morning when the sky was clear  
With my paintbox in one hand  
Remember last time when you were here

See the clouds come  
Unfold the blank white sheet over me  
Come cover me, consume me  
Oh-oh what are we to do?

You know that I love you  
I don't want to lose you  
Sometimes I just feel suffocated  
I can feel when the clouds come  
I can feel when the clouds come

I painted a picture  
Stepped back to see  
Saw you in a new light  
How wrong could I be?

See the clouds come oh-oh  
See the clouds come

I've been walking and it feels like hours  
I've got ear ache from the winter wind  
From high up on the most Northern point  
You said you'd tell me everything - everything

I painted a picture  
Stepped back to see  
Saw you in a new light  
How wrong could I be?

See the clouds come, oh-oh  
Unfold the blank white sheet over me  
Come cover me, consume me  
Oh-oh what are we to do?

I've been crying through the seagulls  
And I've been swept up on the shoreline  
Feeling bleak as the white sky

And I'm cold, I'm cold, cold and I'm going home

See the clouds come oh-oh  
See the clouds come

Come cover me, come cover me  
Come cover me yeah, come cover me
