I want to talk to you even just for one day
Is there a parallel universe where we could stay?
Thinking of you now - can't sleep
Dreaming of you - I know I shouldn't be

Oh no push it down and suppress it
Then I wonder why I'm depressive
I want to tell you how I feel and express it
When you stop and smile at me
Don't you know what you're doing to me?

Oh no (oh no), there's nothing to say
It's inappropriate (can't walk away)
Can't walk away
It's inappropriate (how can I explain?)
How can I explain?
When you stop and smile at me
Don't you know what you're doing to me? oh no

I want to run, no-where to hide
It's eating me
Thinking of you now - can't sleep
Dreaming of you - I know I shouldn't be

Oh no push it down and suppress it
Then I wonder why I'm depressive
I want to tell you how I feel and express it
When you stop and smile at me
Don't you know what you're doing to me?

Oh no (oh no), there's nothing to say
It's inappropriate (can't walk away)
Can't walk away
It's inappropriate (how can I explain?)
How can I explain?
When you stop and smile at me
Don't you know what you're doing to me? oh no

How can I push it down and suppress it?
Then I wonder why I'm depressive
I want to tell you how I feel and express it
When you stop and smile at me

Don't you know what you're doing to me?

Oh no (oh no), there's nothing to say
It's inappropriate (can't walk away)
Can't walk away
It's inappropriate (how can I explain?)
How can I explain?
When you stop and smile at me

Oh no (oh no), there's nothing to say
It's inappropriate (can't walk away)
Can't walk away
It's inappropriate (how can I explain?)
How can I explain?
When you stop and smile at me, oh no (oh no)

(Don't you know what you're doing to me?)
There's nothing to say, it's inappropriate
(When you stop and smile at me)
Can't walk away, it's inappropriate
(Don't you know what you're doing to me?)
It's inappropriate
It's inappropriate
