D: hey, I'm the one he left you for
Can I come in? 'cause the wolf is at my door
He said that it was you
Now that just don't ring true
Like it did when I thought he was mine
Please let me inside, oh...

Chorus:

D: I just want to cry tonight
And I know you'll understand
How much I hurt inside
'cause I know that you know the man
I know he had his way with us
Aren't you afraid he stole your pride?
Out of sight isn't out of mind
So don't you want to cry tonight?

A: hey did he say you hung the moon?
And you made it shine in a sky he never knew
Well I've got news for you
I hung the moon too
D: ain't it funny how that moon turns blue
When there's someone new
A: can't believe there's someone new

Chorus:

A: I just want to cry tonight
D: don't you wanna cry?
A: and I know you'll understand
All the hurt that I feel inside
'cause I know that you know the man
D: yes I know that man
A: though he had his way with us
D: ooh yeah
A: so afraid that he stole my pride
D: same with me
A: out of touch isn't out of mind
D: ooh
A: don't you want to cry tonight?

Who would have thought
We'd be each other's shoulder to cry on

Life sure holds the strangest surprises
And they're not always sweet, no

Chorus:

D: I just want to cry tonight

A: I just want to cry

D: and I know you'll understand

A: how much I hurt inside

D: oh I hurt inside

A: 'cause I know that you know the man

D: I know that man

I know he had his way with us

I'm so afraid that he stole my pride

Out of sight isn't out of mind

A: more than memories are left behind

D: hey, don't you wanna cry tonight?

D: cry tonight
