D: hey, I'm the one he left you for  
Can I come in? 'cause the wolf is at my door  
He said that it was you  
Now that just don't ring true  
Like it did when I thought he was mine  
Please let me inside, oh...

Chorus:

D: I just want to cry tonight  
And I know you'll understand  
How much I hurt inside  
'cause I know that you know the man  
I know he had his way with us  
Aren't you afraid he stole your pride?  
Out of sight isn't out of mind  
So don't you want to cry tonight?

A: hey did he say you hung the moon?  
And you made it shine in a sky he never knew  
Well I've got news for you  
I hung the moon too  
D: ain't it funny how that moon turns blue  
When there's someone new  
A: can't believe there's someone new

Chorus:

A: I just want to cry tonight  
D: don't you wanna cry?  
A: and I know you'll understand  
All the hurt that I feel inside  
'cause I know that you know the man  
D: yes I know that man  
A: though he had his way with us  
D: ooh yeah  
A: so afraid that he stole my pride  
D: same with me  
A: out of touch isn't out of mind  
D: ooh  
A: don't you want to cry tonight?

Who would have thought  
We'd be each other's shoulder to cry on

Life sure holds the strangest surprises  
And they're not always sweet, no

Chorus:

D: I just want to cry tonight

A: I just want to cry

D: and I know you'll understand

A: how much I hurt inside

D: oh I hurt inside

A: 'cause I know that you know the man

D: I know that man

I know he had his way with us

I'm so afraid that he stole my pride

Out of sight isn't out of mind

A: more than memories are left behind

D: hey, don't you wanna cry tonight?

D: cry tonight
