### VERSE1:

Feelings carry away with me  
Till I tremble no more  
Music makes lovers of all of us  
Out on the floor  
Oh, I don't know you too well  
And we don't have much time  
But whenever you cross my mind

### CHORUS:

We'll be dancin' like we did that summer  
When no boundaries kept us confined  
We'll be intimately dancin' in my mind

### VERSE2:

I wish I had many lives  
At least more than this one  
Then I could deeply feel and learn  
To love everyone  
No, I just can't up and leave  
Everything behind  
But still you have touched my life

### CHORUS:

And I'll be dancin' like we did that summer  
When no boundaries kept us confined  
We'll be intimately dancin' in my mind

You feel lovely  
You're just what I need right now

Do do doo da doo

### CHORUS:

Dancin' like we did that summer  
When no boundaries kept us confined  
We'll be intimately dancin' in my mind
