VERSE1:

Baby all the songs
On the radio
Seems they're playin' too fast
Or they're playin' too slow
Nothin' seems right
Since you walked out of my life
Love's a lost feeling
That cuts just like a knife in my heart
Darlin' emptiness surrounds me now
And chains are all around me tonight
And I'm bound to your love
But when push comes to shove
It seems just like an endless fight
So tell me...

CHORUS:

Do you have it in your heart?
To give another try before we say goodbye to love
So that we can try again baby
Do you have it in your heart?
Am I losin' my mind?
Maybe I was too blind to see
That our love could ever end
But baby if you have it in your heart
You will never part from me

VERSE2:

Just the other night
At the movie show
I saw you from a distance
But you didn't know
Though time has passed,
I can still read your face
I could tell that girl,
She made you feel so out of place
Boy I know...
Though we said goodbye forever I know
We could never let our dreams die
'Cause I'm looking around
I don't like what I found
Boy won't you look me in the eye

And tell me...

CHORUS

BRIDGE:

Let's put our pride aside
And try to be strong
So we can put the pieces back
Where they belong
Baby I'm losin' sleep
And I'll be losin' much more
If you don't walk back
Through my heart's door
