VERSE1:

I like to sing so I sing
Someday I'm gonna shine like the stars and
Yes, I can do it
I know I can do it
'Cause I can dream

VERSE2:

My friend says when he grows up
He wants to find [fires?] that burn bright and
Yes, he can do it
I know he can do it
'Cause he can dream

BRIDGE:

When people tell you it's impossible
But you know it's not true
That's the time to show them what you can do
Through dreaming

VERSE3:

I like to reach so I reach
Tonight I'm going to reach for the stars and
Yes, I can do it
I know I can do it
'Cause I can dream

Yes, I can do it
I'm gonna see to it
'Cause I can dream
