VERSE1:

Gone are the days
of Ponytails and bobby socks
Lost are those childhood memories
Now I (we?) must deal in a world
that is real real cold

VERSE2:

I used to play
dress up in my mother's clothes
now they are just my style
Can I find comfort
looking through the eyes of a child

CHORUS:

Eyes of a Child-innocent smile
are those days gone forever?
Eyes of a child-innocent smile
are they lost for good?

BRIDGE:

Whisper to me in hushed tones of love
unconditionally let me know
let your words linger for mile upon mile
love me through the eyes of a child
